WE OFFER NEW CHALLENGES

FOR FUTURE MARINE EXPERTS

We are looking for

SUMMER TRAINEES

FOR OUR OFFICES IN HELSINKI, TURKU AND RAUMA

We have extensive experience in carrying out challenging marine engineering projects: hundreds of ships designed by Deltamarin are sailing across the world and we have been involved in creating more than 1,000 new concepts. The basis of our success is our strong expertise, which we are constantly developing.

Are you a future marine technology expert ready to learn and develop your skills? We offer challenging positions that support your studies and the opportunity to continue also after graduation.

Interested? Submit your application by 28.2.2022 to **rekry.deltamarin.com**
