Renewable Energy Advisors

Are you passionate about renewable energy and looking to make a real impact?

As part of the SeaReenergy group, Elbe1 is a leading consultancy based in Hamburg, specializing in the development and construction of offshore wind and renewable energy projects. We offer comprehensive services across all project phases, including EPCI project management, technical advisory, market analysis and compliance.

What we're looking for:

- **Interns & Working Students**
- **Full-Time Positions:**
 - Certification Manager Offshore Wind
 - Document Manager Offshore Wind
 - Interface Manager Offshore Wind
 - ... and more!
